Subject: Docket 2012-005 Cause No. 241-09

Gentlemen:

A request for agency action was submitted by Kerr-McGee Oil & Gas Onshore, Docket 2012-05 Cause No. 241-09, to establish 160 acre drilling and spacing units for the production of gas from the Ferron Formation in portions of Sections 15, 22, 23 and 26, T14S R10E in Carbon County. This request is scheduled to be presented before the Board on January 25, 2012.

The BLM has reviewed this matter and has no objection to Kerr-McGee's request for agency action.

Thank you for the opportunity to comment. Should you have any questions regarding this letter, please contact Marvin Hendricks, Petroleum Engineer, at (435) 636-3661.

Sincerely,

Julie Howard
